Dear John,

According to the resident at (b) (6) in Westwego and the City
Superintendent Paul Bernard, the sewer line at this location was damaged
during asbestos removal. Since the damage was on private property, the owner
had to contract a plumber to do the necessary repairs.

Please pay Earl Dufrene, Master Plumber at 5300 August Avenue,
Marrero, LA 70072 for labor and material to repair the main sewer line. If you
have any questions or concerns he can be reached at (504)341-4082. (see
